

SOCIAL MEDIA CONTENT ANALYZER-WORKING

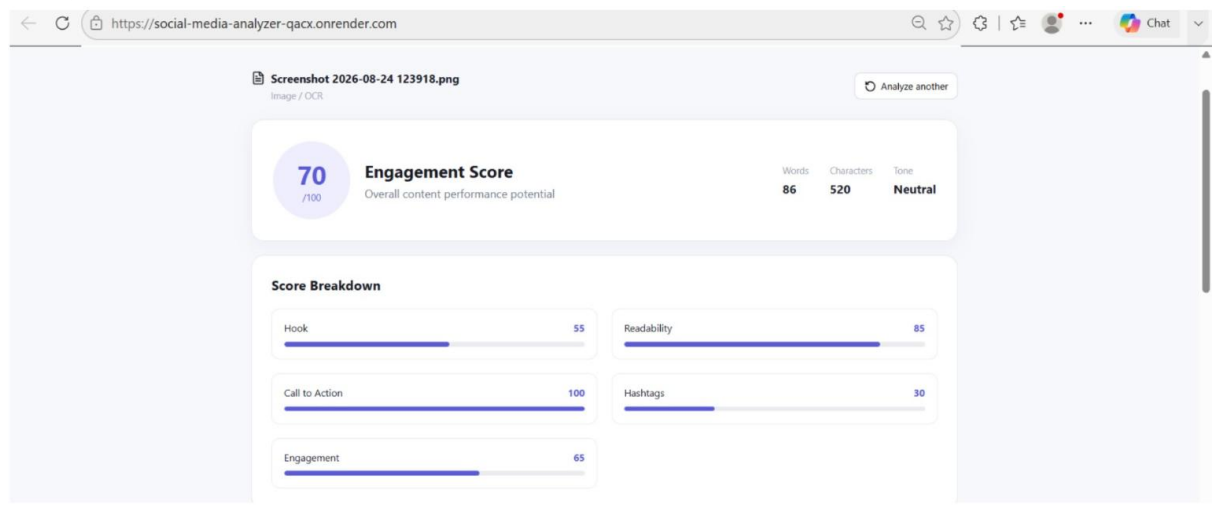

1) Frontend:

2) Upload Window:

3) Output Window:

4) Strengths and suggestions:

Strengths

- ✓ The content is easy to read and understand.
- ✓ The post includes a clear call to action.

Improvement Suggestions

- 💡 Strengthen the opening with a question, statistic, benefit, or curiosity-driven statement.
- 💡 Consider adding 2-4 highly relevant hashtags.
- 💡 Make the post more interactive by asking a specific question or inviting readers to share an experience.

5) Extracted Text Window:
